UPDATE ON TAX BILL AND PROPOSED ACTIONS

On Monday night the House was not able to simply approve the tax bill passed by the Senate. There was also some delay in appointing members to a conference committee. This means we have a little more time to place pressure on Members of Congress who might potentially vote no on the final version of the tax bill. In New York, there will be a particular focus on Claudia Tenney, John Katko, Elise Stefanik, Peter King, Dan Donovan, and Lee Zeldin.

CALL PLEASE

The most important thing you can do is call your Representative and ask them to vote no. Call [877-795-7862](tel:877-795-7862), enter your zip code and you will be connected to your representative. Here are post [Senate vote talking points](#) on the tax bill to share with your Congressperson.
