NEVER AGAIN IS NOW!

September 8, 2019

2 pm

Taras Shevchenko Park.

(Intersection of 3rd St. and 4th Street, South Troy)

We call on people of every faith and background to join the Jewish people of the Capital Region to fight back against ICE raids, children detained in unacceptable conditions, and people dying at the border while seeking safety in the U.S. As Jews, we have been taught to never let anything like the Holocaust happen again. We invite you to help us remind the world that:

*Never Again means Never Again for Anyone*
